

2025 KWARA STATE SABER INVESTMENT ANNOUNCEMENT EVIDENCESABER Investment REGISTER

Kwara State has established and maintained an inventory of publicly announced investment projects in accordance with the SABER Program Verification Protocol. Each investment project included in this inventory has been publicly announced through verifiable sources, including official government press releases, the Kwara State Investment Promotion Agency (KWIPA), investor publications, development partner reports, and reputable media outlets. Supporting documentary evidence has been retained by KWIPA and is available for inspection by the Independent Verification Agent (IVA)
